

ANIMAL CONTROL

To report an injured, dead or threatening animal, please contact the :

Bergen County Department of Animal Control at 201-229-4616.

Wildlife

The County will respond to calls for sick, injured and nuisance wildlife to any of our contracted towns.

Dead Animals

The County will pick up dead animals on public property during normal business hours. For a fee payable by the resident we will pick up dead animals on private property.

Removing Animals

The County is not a pest control service and will not remove healthy wildlife from your property. The only exception is that we will remove wildlife from living quarters for a fee payable by the resident at the time of the service. This does not include animals in attics, basements, garages, chimneys, or sheds.
